COMFY HYDRA PROGRAM

This regulation sets up the 6924 ESS COMFY HYDRA program. It describes and expands responsibilities in AFR 205-14/ESC Supplement 1 to control and log items taken into or out of the 6924 ESS areas of responsibility within the Field Station Kunia (FSK) Operations Complex. It applies to personnel assigned to the 6924 ESS.

1. Responsibilities. Each branch or section chiefs and flight commander must ensure that procedures set up in this regulation are followed.

2. Duties:

a. LG will:

(1) Use AF Form 3133, General Purpose, to keep a COMFY HYDRA Log on all equipment and furnishings taken into or out of the LG area. Annotate the log for all equipment repaired within or outside the area. See attachment 1.

(2) Immediately notify the 6924ESS/SP and the COMFY HYDRA office (6924ESS/DOU) if any suspect devices are found.

(3) Send the COMFY HYDRA Log for the previous month to 6924ESS/DOU by the third duty day of the following month.

(4) Classify the COMFY HYDRA Log as "CONFIDENTIAL" when entries are made. For downgrading instructions, use "CLASSIFIED BY: USAFINTEL 201-6, DECL: OADR."

b. Flight commanders will:

(1) Keep a COMFY HYDRA Log for all seven flights on all equipment and furnishings taken into or out of the flight operations area. See attachment 1.

(2) Immediately notify the 6924ESS/SP and the COMFY HYDRA office (6924ESS/DOU) if any suspect devices are found.

(3) Send the COMFY HYDRA Log for the previous month to 6924ESS/DOU by the third duty day of the following month.

(4) Classify the COMFY HYDRA Log as "CONFIDENTIAL" when entries are made. For downgrading instructions, use "CLASSIFIED BY: USAFINTEL 201-6, DECL: OADR."
